

Grants Checklist

- Does the proposal illustrate the need in the community for the program/project/service?
- Is this need backed up with relevant statistics/demographics?
- Does the proposal clearly show how this project will meet that need - what the impact will be?
- Does the proposal show how we will measure the impact?
- Does the proposal outline a clear plan/scope of work?
- Is the timeline reasonable and realistic?
- Is the budget reasonable?
- Do you demonstrate the organization's experience/expertise/capacity to lead the project?
- Is the project/program replicable or scalable?
- Is there a plan for sustainability?
- Have you submitted all required attachments?
